Hi Yi Xing Yap,

Yes, I am still interested in the position, but I'm facing a small problem as I need to take leave from my University because there is no free time from Monday-Friday. My leave application approval for 5th July is under process. Once I get my leave application approved, I will surely tell you the particular timing for the test. As of now, most probably I may get a leave on 5th July.

I hope you understand my problem. I'll make sure to mail you asap right after my leave gets approved.

Thank you,
Bhaskar
